INDEPENDENT AUDITOR'S REPORT

Board of Directors
Corporación Milagros del Amor
Caguas, Puerto Rico

Opinion

We have audited the accompanying statements of financial position of Corporación Milagros del Amor (a Puerto Rico nonprofit Corporation), which comprise the statement of financial position as of December 31, 2022, and the related statements of activities and changes in net assets, cash flows and functional expenses for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Corporación Milagros del Amor as of December 31, 2022, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Corporación Milagros del Amor and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Corporación Milagros del Amor's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Corporación Milagros del Amor's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Corporación Milagros del Amor's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

CORPORACIÓN MILAGROS DEL AMOR

NOTES TO FINANCIAL STATEMENTS
Year Ended December 31, 2022

NOTE A - ORGANIZATION

Corporación Milagros del Amor ("CORMA") was incorporated under the laws of the Commonwealth of Puerto Rico in April 1994, to operate as a non-profit organization. CORMA started its operations in February 1997.

CORMA was organized to improve the quality of life on the needy communities in Caguas, Puerto Rico and surrounding communities throughout activities, projects and programs in education, health, employment, housing, transportation, and recreation among others.

On year 2022, CORMA received approximately 78% of revenues (excluding in-kind contributions) and support funds from federal and state agencies.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting

CORMA prepares its financial statements in accordance with accounting principles generally accepted in the United States of America. The basis of accounting involves the application of accrual accounting; consequently, revenues and gains are recognized when earned, expenses and losses are recognized when incurred, and the financial statements reflect all significant receivables, payables, and other liabilities.

2. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. CORMA regularly assesses these estimates and, while actual results could differ, management believes that the estimates are reasonable.

NOTES TO FINANCIAL STATEMENTS
Year Ended December 31, 2022

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

3. Basis of presentation

The financial statements have been prepared on the accrual basis of accounting. CORMA reports information regarding its financial position and activities according to two classes of net assets: net assets without donor restriction and net assets with donor restriction.

- Net Assets Without Donor Restriction - Net assets that are not subject to or are no longer subject to donor-imposed stipulations.

- Net Assets With Donor Restriction - Net assets whose use is limited by donor-imposed time and/or purpose restrictions.

Revenues are reported as increases in net assets without donor restriction unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in net assets without donor restriction. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in net assets without donor restrictions unless their use is restricted by explicit donor stipulation or by law. Expirations of donor restrictions on the net assets (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as reclassifications between the applicable classes of net assets.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

5. In-Kind Contributions for services and products

In-kind contributions represent donated services by volunteer workers to supplement the effort of paid employees fulfilling CORMA's objectives. These services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by CORMA.

Also, CORMA received contributions of supplies, clothing, and personal hygiene products received from individuals and private organizations which are recorded at their estimated fair value based on CORMA's estimate of the retail values that would be received for selling the goods in their principal market considering the good's condition and utility for use at the time they are contributed by the donor.

On year 2022, CORMA received $245,891 in contributions from products and services that are included in the financial statements.

CORMA operates its administrative office and one supportive service office from a building that belongs to the First Baptist Church of Caguas. The Church donates the use of that building representing an annual in-kind contribution (included above) of $80,940.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

7. Property and Equipment

Property and equipment are stated at cost, or approximate market value at date acquire if acquired as a gift. It's CORMA's policies to capitalize property and equipment with an initial cost of $300 or over.

Depreciation is calculated using the straight-line method based on the following estimated useful lives:

Leasehold Improvements	15 years
Automobiles	5 years
Equipment, furniture & fixture	5-10 years

The useful lives are estimated based on historical experience with similar assets, taking into account anticipated technological or other changes. CORMA periodically reviews these lives relative to physical, economic, and industry factors. If there are changes in the planned use of property and equipment or if technological changes occur more rapidly than anticipated, the useful lives assigned to those assets may be shortened, resulting in the recognition of increased depreciation and amortization expense in future periods.

8. Income taxes

CORMA is exempt from Puerto Rico income taxes under Section 1101.01(a)(2) of the Internal Revenue Code of Puerto Rico of 2011, as amended. Accordingly, no provision for Puerto Rico income taxes has been made. Also, the United States Internal Revenue Service has determined that the Organization is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

9. Uncertain Tax Positions

CORMA follows the provisions of FASB ASC 740-10, which clarifies the accounting for uncertainty in income taxes recognized in an entity's financial statements. The FASB ASC 740 required the evaluation of the Organizations income tax position each year to determine whether is more-likely-than-not to be sustained if examined by the applicable taxing authority. The management of CORMA has evaluated its tax position and has concluded that this requirement has no effect on its financial position or changes in its net assets.

10. Cash and Cash Equivalents

For the purpose of the statement of cash flows, CORMA considers all highly liquid investments with a maturity of three months or less to be cash equivalents.

11. Statement of Cash Flows

CORMA prepares its statement of cash flows using the indirect method.

NOTE C - CASH

NOTE F - RELATED ORGANIZATION

The First Baptist Church of Caguas (FBCC), owns the property in which CORMA perform their programmatic and administrative activities. The use of this facility is recognized within the financial statement. The operating lease value donated is included as contributions and expenses in the Statement of Activities amounting to $80,940 for the year ended December 31, 2022. Some members of the CORMA's board of Directors are also members of the board of Directors of the FBCC. FBCC provided during the year approximately 24% of the donations without restrictions presented in the Statement of Activities.

NOTE G - LONG-TERM DEBT

CORMA had a long-term debt with the American Baptist Extension Corporation (ABEC) which was paid in full during year 2022. The loan was originated on year 2015 with an original amount of $50,000. Interest rate on the note is stated at 4.50% and maturity in September 2018. The loan will be extended at maturity, subject to ABEC's right to call the loan, for one additional three-year term with monthly payment to be determined by ABEC's standard rate of interest in effect at the time of extension, subject to a maximum rate of increase or decrease of two (2) percentage points from the rate payable during the immediately preceding term. In September 2019, both parties modified the original agreement to reduce monthly payment from $805 (principal and interest) to $300 (principal only) from September 2019 to August 2020 and extending due date for one additional 1-year term at ABEC's standard interest rate in effect at the time of the extension. In November 2020, both parties modified the previous 2019 agreement to reduce the monthly payment from $1,203 to $600, including interest at 4.20%, from September 2020 to February 2021 and to $1,041, including interest at 4.20%, from March 2021 through December 2022, at which point in time the loan will be paid in full.

CORPORACIÓN MILAGROS DEL AMOR

Year Ended December 31, 2022

NOTE H - NET ASSETS WITH DONOR RESTRICTIONS

Net assets were released from restrictions by incurring expenses satisfying the restricted purposes or by occurrence of other events specified by donors. During the year ended December 31, 2022, the amount of net assets released from restrictions aggregated $923,855. Such net assets were contributed to the Entity through conditional government programs and private contributions in the form of reimbursement grants and awards, which are recorded as temporarily, restricted revenues until specified conditions are met.

In addition, CORMA had signed grant contracts for which their conditions had not expired or met as of December 31, 2022 amounting to $413,583. The grants are expected to expire, and their conditions met during year 2023. When conditions are met, the corresponding revenue is recognized.

Funds were received by CORMA, to provide services to homeless individuals and/or families, and persons at risk of becoming homeless, persons with disabilities, mentally ill, women victims of family violence and drug users and school drop-outs population. The funds received during the year 2022, by Activity Programs are as follows:

Supportive Housing:

- Homeless Assistance directly received from the U.S. Department of Housing and Urban Development

Homeless Prevention / Rapid Rehousing:

- Emergency Solutions Grant – Passed through Municipality of Caguas

- Private and General Donations and Contributions

NOTE H - NET ASSETS WITH DONOR RESTRICTIONS (Continued)

Community Outreach:

- Legislative Fund – Passed through "Comisión Especial Conjunta de Donativos Legislativos"
- United Way
- Private and General Donations and Contributions

NOTE I - CONTINGENCIES

CORMA participated in a number of state and federally assisted grant programs. These grants are subject to audits by and/or on behalf of grantors to assure compliance with grant provisions. The final determination regarding the allowability of these costs will be determined by the awarding agencies and accordingly, the amount of expenditures classified as disallowed, if any, will be established at some future date.

No provision has been made for any liabilities which may arise from such audits since the amount, if any, cannot be determined at this date.

NOTES TO FINANCIAL STATEMENTS
Year Ended December 31, 2022

NOTE J - SUPPLEMENTAL DISCLOSURE OF CASH FLOWS INFORMATION

Interest paid during the year ended December 31, 2022 were $248.

NOTE K - LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS

CORMA manages its liquidity following these guiding principles: operating within a prudent range of financial stability and maintaining adequate liquidity to fund near-term operations. The following table reflects CORMA's financial assets (cash) as of December 31, 2022 reduced by amounts not available for general expenditures within one year:

	Amount
Total financial assets	$ 199,886
Less those unavailable for general expenditure within one year due to:	
Purpose restrictions	46,411
Financial assets available to meet cash needs for general expenditures within one year	$153,575

NOTE L - CONTINGENCY

In early 2020, an outbreak of a novel strain of coronavirus (COVID-19) emerged globally. As a result, there have been mandates from federal, state, and local authorities resulting in an overall decline in economic activity. The current operating environment is changing rapidly. The extent of impact that the COVID-19 pandemic will have on the financial performance of the Organization's investments and operations is not reasonably estimable at this time.
